

# Safe Drug Drop

Calumet County Sheriff's Department  
206 Court Street, Chilton

HELP PRE-  
VENT DRUG  
ABUSE AND  
OVERDOSE

PROTECT  
WATER  
QUALITY

PROPERLY  
DISPOSE OF  
UNWANTED  
MEDICATION

The two main hazards of improper disposal of household pharmaceuticals are:

- Possible drug overdose or death from accidental or intentional ingestion of medications when prescription medications are used to get high.
- Contamination of water resources, which can lead to reproductive and developmental problems in fish and other aquatic wildlife, if medicines are flushed or placed in the trash.

Practice proper disposal! Bring unwanted medications in their original containers to the Calumet County Sheriff's Department's Safe Drug Drop Box. Household pharmaceuticals accepted at the drop-off box include prescription and over-the-counter human and pet medications such as pills, capsules, ointments, liquids, sprays, drops, creams, inhalers, vials or any other drug no longer needed for its intended purpose. No needles, intravenous solutions, or non-medication waste.

The box is available 24 hours a day, 7 days a week. Participation is anonymous and free. Keep medications in the original container with the medication name kept visible. Personal identification information such as name and address on prescription labels can be crossed off with a black marker. Medications received at the drug drop box are safely disposed at an incinerator licensed to accept hazardous wastes.

## Location of the Safe Drug Drop Box

Additional Safe Drug Drop Boxes are available in the area.  
Brillion Police Department, 130 Calumet Street, Brillion  
Appleton Police Department, 222 S. Walnut Street, Appleton
